Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Saturday 20 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy with further outbreaks of rain overnight. A mild night.

This Evening and Tonight:
Rather cloudy and windy with some outbreaks of rain this evening. However, the rain is likely to ease for a time overnight, before further outbreaks of rain arrive from the southwest towards dawn. Winds easing. A mild night for most. Minimum temperature 9 deg C (48 deg F).

Sunday:
Probably rather cloudy and damp on the whole, with outbreaks of patchy light rain possible for much of the day. Winds will be lighter than on Saturday. Generally very mild. Maximum temperature 12 deg C (54 deg F).

Outlook for Monday to Wednesday:
Monday should see similar conditions to Sunday, ahead of windier and perhaps occasionally wetter weather spreading in towards midweek. Staying on the mild side.
